### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with applicants' representative, Sheridan Neimark on February 21, 2007.

The application has been amended as follows:

*In the specification:*

On page 1, between the title and the first line of text, the heading, "*Background of the Invention*" has been inserted.

On page 1, between lines 21 and 22, the heading, "*Brief Description of the Invention*" has been inserted.

On page 2, between lines 16 and 17, the heading, "*Brief Description of the Drawing*" has been inserted.

On page 2, between lines 18 and 19, the heading, "*Detailed Description of the Invention*" has been inserted.

*In the claims:*

In claim 5, line 3, the word, "chlorhydrate" has been replaced with *chlorohydrate*.

***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: the examiner has considered applicants' amendment filed January 31, 2007 and the arguments therein. Applicants' arguments regarding the rejection under 35 U.S.C. 102 (b) were found persuasive. The prior art relied upon for said rejection fails to disclose or fairly suggest the 4,4'-dithiobis- compound(s) of the instant invention. Accordingly, the instant claims are now allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sikarl A. Witherspoon whose telephone number is 571-272-0649. The examiner can normally be reached on M-F 8:30-6:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thurman Page can be reached on 571-272-0602. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
